

*Be sure you know the difference between other insurance and HortProtect!*

### **Did you know that...?**

*Unlike HortProtect, most insurance programs do not cover:*

 *theft of tools from an unlocked, unattended vehicle*

 *the expense of renting temporary substitute equipment*

 *loss or damage to non-owned equipment while in your care, custody or control*

 *theft of cash or property by employees*

 *greenhouse collapse caused by the weight of ice and snow*

*Insurance Solutions  
for Landscape Trades*

**Insurance is Important!** Your Association urges you to ensure that you protect your business with a comprehensive insurance program designed specifically for the unique aspects of your industry. For more information, complete this form and fax this page to the number below.

## Special Features of CNLA's Insurance Program

### Comprehensive

This program has been specially designed with the unique risks of the horticulture industry in mind. Unlike many other programs, coverage is available for:

- buildings and greenhouses
- pesticide liability
- no locked vehicle warranty
- growing stock
- 5 year replacement cost on equipment
- automobiles
- snow removal liability

### Cost Effective

Through the buying power of the Association, very competitive rates are available. Enjoy better insurance at a better price!

### Customized Program

Although developed as a "group" plan, *HortProtect* allows you to choose coverages and limits that match your individual business needs. After all, there is no business like yours!

### Local Service

Regional representation of the program is available in every participating province.
