

SECONDARY BROAD FORM PACKAGE

Your Seasonal Policy is written in plain language so that you may properly understand the protection you have purchased. The policy consists of these wordings, the Declarations page which contains information that is unique to your insurance program and other forms that may need to be attached to complete your Homeowners coverage.

Together, these comprise the legal contract of indemnity that exists between you and us.

INSURING AGREEMENT

We provide the insurance described in this policy in return for payment of the premium and subject to the terms and conditions set out.

Insurance cannot be a source of profit. It is only designed to indemnify you against actual losses incurred by you or for which you are liable.

Only losses or claims that occur within the policy term shown on the Declarations will be covered under this policy. In no case will we entertain any loss or claim that occurred or was in progress prior to the policy period inception date or after the policy period expiry date shown on the Declarations

All amounts of insurance, premiums and other amounts as expressed in this policy are in Canadian currency.

The Declarations form an integral part of this policy and summarize the coverage you have selected and the premiums and limits that apply to them. Among other things, the Declarations identify the policyholder and the policy term.

This form consists of two Sections:

SECTION I describes the insurance for your property.

SECTION II describes the insurance for your legal liability to others because of bodily injury and property damage.

This policy applies to loss under Section I or bodily injury or property damage under Section II, which occurs during the policy period.

If a Broadening of Coverage occurs during the term of this policy, you will automatically benefit from the improved coverage at no additional cost to you. In addition, any loss or damage that is covered by another of policy forms that is less broad than this policy form, is also insured hereunder as well.

Special Coverage Features

In addition to your Property Coverages, your policy provides some additional Special Coverage Features.

Debris & Protective Removal

The amounts of insurance include the cost of removing debris of the property insured as a result of the occurrence of an insured event.

If the amount payable for loss, including expense for debris removal, is greater than the Limit of Liability, an additional 5% of that amount will be available to cover debris removal expense.

If you must remove insured property from your premises to protect it from loss or damage that is covered by this policy, it is insured for 90 days or until your policy term ends - whichever happens first. The amount of insurance will be divided in the proportion that the value of the property removed bears to the value of all property at the time of loss.

You may also apply up to 10% of the amount of insurance on your dwelling building to insure building fixtures and fittings that are temporarily removed from your premises for repair or seasonal storage.

Inflation Guard

Your policy includes an inflation index. We will increase the limits of insurance stated in the Declarations as applicable to Coverages A, B, C and D by the Building Inflation Rate % (BIR) as follows, at regular intervals.

2 months after inception	-	1/4 of the BIR
5 months after inception	-	increased to 1/2 BIR
8 months after inception	-	increased to 3/4 full BIR
11 months after inception	-	increased to the full BIR

If you request a change in the amount of insurance during the policy term, we will treat the effective date of that change as the inception date for purpose of this feature.

Outdoor Greenery

You may apply up to 5% in all of the Limit of Insurance for Coverage C to trees, plants, shrubs and lawns on your premises. We will not pay more than \$1,000 for any one tree, plant or shrub including the cost of removing its debris.

We insure these items against loss caused by fire, theft, lightning, explosion, impact by aircraft or land vehicle, riot, vandalism and malicious acts, as described under Insured Perils - Coverage C and D. We do not insure items grown for commercial purposes.

The deductible applies to this coverage.

Mortgage Rate Protector

You may use this no deductible feature after a total loss to your dwelling. A total loss is one equal to at least the amount specified in the Declarations. It must also be a loss for which you are covered.

Your bank or lending institution may have the right to "call in" your mortgage after a loss. If a new mortgage at a higher competitive rate of interest is obtained, we will pay, in addition to the policy limits, the difference between the old and new rates on the balance of your outstanding mortgage.

We will pay each month. We will only pay for the duration period of your old mortgage until its expiry. We will cease to pay if the title or interest in your premises is relinquished.

We will also pay for fees charged by a lawyer to obtain the new mortgage. We will not pay for other costs such as judgements or service charges.

Mass Evacuation

We will pay any necessary and reasonable increase in living expense to a maximum of \$2,500 incurred by you while access to the residence premises is prohibited by order of civil authority, but only when such order is given for a mass evacuation as a direct result of a sudden and accidental event.

You are insured for a period not exceeding 30 days from the date of the order of evacuation.

You are not insured for any claim arising from evacuation resulting from:

- (1) flood meaning waves, tides, tidal waves and the rising of, or the breaking out or the overflow of, any body of water whether natural or man-made;
- (2) war, invasion, act of a foreign enemy, hostilities, civil war, rebellion, revolution, insurrection or military power;
- (3) nuclear incident as defined in the Nuclear Liability Act, nuclear explosion or contamination by radioactive material;
- (4) caused directly or indirectly, in whole or in part, by Terrorism or by any activity or decision of a government agency or other entity to prevent, respond to or terminate Terrorism except for ensuing loss or damage which results directly from fire or explosion, as described in Specified Perils. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage.

This \$2,500 coverage will be provided as part of the limits specified in the Declarations for Coverage D - Additional Living Expense/Fair Rental Value.

We do not insure the cancellation of a lease or agreement.

Fire Department Charges

If a fire department attends your premises in response to the occurrence of an insured event, they may bill you for these services. If this happens, your policy will pay for such expenses and is not subject to a deductible.

Lock Replacement

If your exterior door keys are stolen, your policy provides up to \$500 to re-key your locks or to replace them if it is not possible to re-key them. If your exterior door keys are lost, we will pay 50% of the cost, up to \$500, to re-key your locks or to replace them if it is not possible to re-key them. You must notify us within 72

hours of the discovery of the keys being lost. This coverage is not subject to a deductible.

- a) mechanical or electrical breakdown of the freezer, or

2. loss caused by the theft of your automated teller card provided you have complied with all of the conditions under which the card was issued;
3. loss to you caused by forgery or alteration of cheques, drafts or other negotiable instruments;
4. loss by your acceptance in good faith of counterfeit Canadian or United States paper currency.

We do not cover loss caused by the use of your credit card or automated teller card by a resident of your household or by a person to whom the card has been entrusted.

The most we will pay under this coverage during the term of this policy is \$5,000.

This coverage is not subject to a deductible.

Reward Coverage

We will pay up to \$1,000 to any individual or organization for information leading to the arrest and conviction of any person(s) for arson or theft of any covered personal property from you.

Permissions Granted

You have our permission under the terms and conditions of this policy:

- (a) to make alterations, additions and repairs to the dwelling building that you occupy. (You may, however, need to request an increase in your Limits of Insurance.)
- (b) to keep and use reasonable and normal quantities of fuel oil, L.P.G., gasoline, benzene, naphtha or other similar materials.

Basis of Claims Settlement

We will pay for insured loss or damage up to your financial interest in the property, but not exceeding the applicable amount(s) of insurance for any loss or damage arising out of one occurrence.

Any payments made for loss or damage shall not reduce the amounts of insurance provided by this policy.

Deductible

We insure the amount by which the loss or damage caused by any of the Insured Perils exceeds the amount of the deductible in any one occurrence, however, if your claim exceeds \$10,000 the deductible will no longer apply in all cases where the applicable deductible is up to and including \$500.

If your claim involves personal property on which the Special Limits of Insurance apply, the limitations apply to losses exceeding the deductible amount.

Your Seasonal Dwelling and Other Buildings on the Premises (Applicable to a building owner only)

If you repair or replace the damaged or destroyed building on the same location with a building of the same occupancy constructed with materials of similar quality within a reasonable time after the damage, you may choose as the basis of loss settlement either (A) or (B) below; otherwise, settlement will be as in (B).

(A) The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case we will pay in the proportion that the applicable amount of insurance bears to 80% of the replacement cost of the damaged building at the date of damage, but not exceeding the actual cost incurred, nor for more than the applicable amount of insurance.

(B) The Actual Cash Value of the damage at the date of the occurrence.

In determining the cost of repairs or replacement under (A) or the amount payable under (B) above, we will not pay or include the increased costs of repair or replacement due to the operation of any law regulating the zoning, demolition, repair or construction of buildings and their related services.

Guaranteed Replacement Cost on Dwelling Buildings (Applicable to a building owner only)

If Guaranteed Replacement Cost is indicated in the Declarations, we will pay the cost of repairs or replacement even if it is more than the amount of insurance for Coverage A, provided:

- a) the amount of insurance for Coverage A shown on the Coverage Summary page on the inception date of the policy, or the most recent renewal date or the increased amount under the inflation protection coverage on the date the increase took effect was not less than 100% of the cost to replace the dwelling building, as determined by a valuation guide acceptable to us;
- b) the amount of insurance applicable to Coverage A has not been reduced below the amount determined by the valuation guide; and
- c) you notified us within 30 days of the start of the work if any improvement, extension or addition has been made to your dwelling.

If you do not repair or replace, we will pay the Actual Cash Value of the damage on the date of occurrence.

In determining the cost of repairs or replacement, we will not pay or include the increased costs of repair or replacement due to the operation of any law regulating the zoning, demolition, repair or construction of buildings and their related services.

Personal Property

We will pay the Actual Cash Value of the loss or damage to personal property covered under Section I up to the applicable amount of insurance.

For records, other than computer records, including books of account, drawings or card index systems, we will pay the cost of blank books, pages, cards or other materials plus the cost of actually transcribing or copying the records.

If "Replacement Cost - Personal Property" is shown on the Declarations as an additional coverage for this location, we will pay on the basis of replacement cost, provided that:

- 1) the property at the time of loss was useable for its original purpose;
- 2) you repair or replace the property promptly;

"Replacement Cost" means the cost, at the time of loss, of repairs or replacement (whichever is lower), with new property of similar kind and quality, without deduction for depreciation.

Otherwise the basis of claim payment will be Actual Cash Value.

Replacement Cost does not apply to:

- a) antiques, fine arts, paintings and statuary;
- b) articles which because of their inherent nature, cannot be replaced with new articles;
- c) articles for which their age or history contribute substantially to their value such a memorabilia, souvenirs and collectors' items;

You may choose payment on an Actual Cash Value basis initially. You may make subsequent claim on a Replacement Cost basis but not later than 180 days after the date of loss or damage.

Actual Cash Value

Whenever the words "Actual Cash Value" are used in this policy, settlement of a claim will take into account such things as the cost of replacement less any depreciation, and in determining depreciation we will consider the condition immediately before the damage, the resale value and the normal life expectancy.

Insurance Under More Than One Policy

If you have insurance on specifically described property, this policy will be considered excess insurance and we will not pay any loss or claim until the amount of such other insurance is used up.

In all other cases, we will pay our ratable proportion of the loss or claim under this policy.

Conditions

The following conditions apply to the coverage provided under Section I of this policy.

Notice to Authorities

Where the loss is due to or appears to be due to theft, burglary, robbery, malicious mischief or disappearance of insured property, you must give immediate notice thereof to the police or other authorities having jurisdiction.

Sue and Labour

In the event that any property insured under this policy is damaged or destroyed, it is your duty to take all reasonable steps that might be available to you to bring about recovery of such property. We will contribute on a proportionate basis towards any reasonable and proper expenses in accordance with our respective interest in the property insured.

Subrogation

Once we have made any payment or have assumed any liability for making such payment, we shall inherit or be 'subrogated' to all the rights of recovery that you

might have had against any person and are entitled under the law to bring action in your name to enforce such rights.

If such action on our part does not fully indemnify both you and us, the amount that we do recover will be divided between you and us in the proportions in which the loss or damage has been borne by each of us respectively. The amounts so available for distribution shall be net of the costs of effecting the recovery.

No Benefit to Bailee

It is warranted by you that this insurance shall in no way be directly or indirectly to the benefit of any carrier or other bailee.

Pairs, Sets and Parts

In the case of loss of or damage to any part of the insured property whether scheduled or unscheduled, consisting, when complete for use, of several parts, the Insurer is not liable for more than the insured value of the part lost or damaged, including the cost of installation.

SECTION II - INSURANCE ON YOUR LIABILITY TO OTHERS

In the event you have, under another policy or policies issued by us, liability insurance which applies to a loss or claim, then under no circumstances will we pay in total more than the highest of the liability limits stated on the Declaration Pages of all such policies issued by us.
